

8.0 Other Hanford Site Environmental Programs

R. W. Hanf

At the Hanford Site, a variety of environmental activities are performed to comply with laws and regulations, to enhance environmental quality, and to monitor the impact of environmental pollutants from site operations.

This section summarizes activities conducted in 2001 to monitor the climatology and meteorology, to assess the status of ecological monitoring and compliance, to monitor and manage cultural resources, and to actively involve the public in environmental surveillance activities.
